

# Wardrobes

If you are looking at how to get the best out of either a walk in wardrobe or a reach in wardrobe, come and see the design specialists at HSS.

Whether you are looking to increase your storage options or functionality, designing a new home, or renovating an existing home or space, our experienced design specialists will help you maximise your working area to give you the very best in home storage design and product available in the market today.

There are a lot of factors to consider when designing a wardrobe. Our complimentary consultation will take on board your specific storage and wardrobe requirements, while evaluating the required spaces existing design i.e. wall and door placement, electrical switches and sockets, windows and lighting for the area.

With all of these vitally important elements incorporated into the finished design and product, you will have a space that you will truly love and appreciate, with everything in its place and so easily organised and accessible.

# Kitchen

The kitchen is the hub of the home so it's important to generate the right feel and flow.

We'll take you from design to installation, offering great ideas and practical advice.

HSS uses only the best quality materials and hardware, giving you a high quality product that's built to last. Whatever your budget, HSS has a kitchen solution to suit your needs. Entry level modular designs are available, however keeping prices affordable doesn't mean we compromise quality or design.

# Sliding doors

To enable you to be able to maximise your usable space in your room, Sliding Doors are the perfect design solution for this very need.

HSS is able to supply to you a range of different doors and finish options that are able to compliment your existing space perfectly, all with the knowledge that these are quality New Zealand made products.

Creative use of different materials such as melamine, glass and mirrors can add drama and detail to your wardrobe or office. Door panels can also be painted to complement existing colour schemes.

# Laundry

HSS's services extend beyond just Wardrobes and Doors, providing expert solutions to your storage requirements in your laundry, office, garage or any other areas of your home.

Our design team can work with you to create an innovative space that works efficiently and looks amazing. We have a full range of laundry designs and storage options, including pull-out ironing boards and laundry hampers to maximise space, made from top quality materials and hardware, all proudly Kiwi made and manufactured.

# Garage

HSS can design the perfect storage solution for your garage.

Most garages are underutilised, messy or cluttered, so well planned storage and shelving helps to improve the functionality and flow of a busy home.

Our designers assess the space, consider everything from height and depth to accessibility and then present a range of suitable options specific to your requirements.
